**Subject:** ACTION BY COB THUR: Quick Answers and Assignments to Address Comments on Oregon's 6217 (Coastal NPS) Draft Compiled Interim Decision Document

Hi All,

Allison did a wonderful job of consolidating the interim decision document for Oregon's 6217 (Coastal NPS) Program. However, many of the rationales had been compiled years ago and need to be updated.

Allison made 51 comments on the document--many which could be answered with a simple "yes" or "no." Given ODEQ's workload, we are trying to address as many of these comments as possible using federal staff only.

I developed a table with all of her comments and assigned a specific EPA R10 person to address each comment. Please look at the table and let me know whether I have the correct person assigned. Also if you know the answers to any of the simple questions, go ahead and answer them. I also have attached the interim decision document for Oregon's 6217 (Coastal NPS) Program with the comments if you need to understand the context of the comment.

Please feel free to call or email if you have any questions or need clarification.

Cheers,
